

# We Got a Band

A  
I'm not gonna just sit around

E  
Wondering what to do---

F#m D  
Gonna call my friends, get together and play a few new tunes.

A  
One plays drums, One plays bass,

E  
And I play my guitar

F#m D B  
We'll have fun rockin' up the place and pretend we're superstars.

D A B  
We got a band, yeah, yeah (everybody's shakin', everybody's groovin')

D A B  
We got a band, yeah, yeah (everybody's dancin', everybody's movin')

Singing

D A E  
Na, na, na, na, na, hey, hey, hey!

I've got notebooks full of songs --

I can write about anything.

I love the feeling of letting loose and getting up to sing.

In the car,

In the yard,

In the shower, too;

Let me go get my guitar, and we can sing along, me and you.

We got a band, yeah, yeah (everybody's shakin', everybody's groovin')

We got a band, yeah, yeah (everybody's dancin', everybody's movin')

*(no chords)*

*All our friends and all the neighbors,*

*Mom and dad think we're the greatest!*

D A B E7  
*Practice, practice every tune and maybe we can play out soon.*

We got a band, yeah, yeah (everybody's shakin', everybody's groovin')

We got a band, yeah, yeah (everybody's dancin', everybody's movin')

singing

Na, na, na, na, na, hey, hey!
